Dear James and Friends,

Thank you for your recent gift to the GLBT Community Center of Colorado. Your support allows our community to continue to thrive through programming that enriches lives, empowers individuals and advances the LGBT movement across Colorado.

Your contribution of \$1,000.00 helps create connection and belonging for community members like the youth in Rainbow Alley and the elders in our SAGE of the Rockies program, many of whom would be left isolated and alone without these crucial programs.

Your gift also makes it possible for us to build consensus and collaboration throughout the state. As a leader in the fight for LGBT rights, The Center works with a cohort of other LGBT organizations across Colorado to bring equality and justice to all citizens, and to make certain those protections remain in place for the generations to come.

Please know that your donation truly is making a difference in the lives of LGBT people across Colorado. The work we do here at The Center could not happen without the support of people like you. As John Quincy Adams said, "If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

Thank you again for your leadership, for sharing your gifts and for uniting the LGBT community in courage and strength.

Sincerely,

Carlos Martinez
Executive Director

Many thanks!
