Dear James and Friends,

On behalf of the Gay, Lesbian, Bisexual, and Transgender Community Center of Colorado's Board of Directors, volunteers and staff, I would like to thank you for your recent contribution to The Center. This wonderful donation will be directed towards improving the programs and services offered at The Center.

Through the generous support of donors like you, The Center is able to provide services and resources to more than 3,000 community members each month. The Center continually strives to be the hub of activity for those seeking to connect with the community; engaging youth, adults, and seniors in programs and events that are both relevant and meaningful to their lives. By investing in The Center, you are also supporting our work toward a more inclusive Colorado; one where LGBT people stand equal and without fear.

Please know that your gift of \$760.00 is making a lasting and positive impact in the LGBT community and for that, we are truly grateful.

Sincerely,

Carlos Martinez
Chief Executive Officer

Thank you for your generous gift.
Happy Holidays! ☺

PS – As the holiday season is fast approaching, now is the time to consider an additional donation to The Center. Colorado Gives Day is just around the corner – December 6th. If you donate online at GivingFirst.org any time on this day, your donation will be eligible for an additional match!
