Dear James,

Thank you for the generous donation of \$1,000.00 from the Front Range Bears. We are very grateful for your support, helping provide a hand up off the streets to homeless young people in Denver. With your generosity, you are taking action to provide REAL CHANGE for young people, including many GLBT youth, in our community.

Like you, we believe in the potential of every young person to contribute to our world. For the youth you are helping Urban Peak serve, often all they need to escape life on the streets is to be given a chance. Your gift will help provide a safe, caring, and stable community and the opportunities homeless young people need to overcome the challenges in their lives.

Since 1988, Urban Peak has been at the forefront of the campaign to help Denver's homeless youth and youth at-risk of becoming homeless achieve REAL CHANGE. To become self-sufficient adults, we ensure youth are safe, engaged, and empowered through housing, shelter, education and employment, drop-in, and outreach programs.

Again, thank you for your support through Octobearfest 2010. Your partnership makes a huge difference in the lives Denver's youth.

Sincerely,

Kurt Kaczor
Director of Development & Public Affairs
